DEFENSE SYSTEM

Helps you work smarter, not harder, to fight bugs.
Visit raid.com to identify your bug and best treatment plan.

TIPS

- Do not leave doors and windows open.
- Inspect screens for holes and loose edges that may allow wasps and hornets to enter.
- Keep a tight fitting lid on garbage cans to avoid attracting wasps.

Use This Product To:

ATTACK BUGS

KILL BUGS ON CONTACT
Kill Bugs at the Source

* Use outdoors to kill wasps and hornets and their entire nest on contact. For best results, spray in the morning or evening when insect activity is minimal. Spray toward the nest opening until the entire nest is saturated.

KILLS • Wasps • Hornets

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE. RESTRICTIONS: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of area during application. Do not allow adults, children or pets to enter the treated area or contact treated surfaces until sprays have dried. Avoid applications during rain. Remove all exposed food and cooking utensils. Cover all food handling surfaces or wash thoroughly after treatment and before use. Do not use on edible crops. Do not apply to pets or contaminate feed, foodstuffs, dishes or utensils. Application is prohibited directly to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. This product is non-staining to most common outdoor household surfaces depending on the condition and cleanliness. Test in an inconspicuous area for compatibility before using on these surfaces. **FOR OUTDOOR USE ONLY:** To kill paper wasps and bald faced hornets and their nests. For best results, spray Raid Max[®] Foaming Wasp & Hornet Killer in early morning or early evening when insect activity is minimal. Stand a safe distance from nest and not directly underneath. Hold can as upright as possible while spraying. Point spray toward opening of nest, keeping the wind at your back. Spray until nest is thoroughly saturated to kill the entire nest population. Wait at least 24 hours before removing the nest.

**TWIST AND SNAP OFF TAB
BEFORE SPRAYING**

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place away from fire, sparks, and heated surfaces. **DISPOSAL:** Do Not Puncture or Incinerate! If empty: This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, put in trash. If partially filled: Call your local solid waste agency or 800-529-3394 for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

USER SAFETY RECOMMENDATIONS: Users should wash hands thoroughly with plenty of soap and water before eating, drinking, and chewing gum, using tobacco or using the toilet. Remove contaminated clothing if pesticides gets inside and wash clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

CONTENTS UNDER PRESSURE: Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or on electrical equipment due to the possibility of a shock hazard. Some hard surfaces may become damp when sprayed. Avoid slips or falls.

ENVIRONMENTAL HAZARDS: This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to fish adjacent to treated areas. See Directions for Use for additional precautions and requirements.
